# DINE.

*Dinner is served & breakfast too if you like...*

We love food & it's an important part of our ethos that every dish is spot on.

We design dishes to be as fresh & original as possible, to compliment the personality, look & feel of your event. Food should be visual & exciting, adding an element of entertainment.

We offer a range of dining experiences from casual to formal depending on the occasion. Canapés, grazing stations, sharing boards or a 3 course sit down meal - we build your perfect menu from a blank canvas.

It starts with a consultation, then leads to a private tasting to give you a chance to try your choices, discuss the menu & answer any questions.

Talk to us about our bar service & weekend long celebrations!

From modest, delicate centerpieces to full, foliage-heavy arches. We can create the flowers you envisage.

A quote will then be provided to give you an idea of cost. Upon booking you will receive a detailed & extensive proposal, a visual tool with pictures, colour palettes & ideas, showcasing the vision for your wedding or event.

Once the proposal has been accepted you will receive an updated quote & we will then be on hand to answer any questions & to give any guidance throughout the process.
